Best Paper Awards of Complex Adaptive Systems 2012

THEORETICAL AWARD

Best Paper

On Fuzzy Clustering based Correlation

Mika Sato-Ilic
University of Tsukuba, Japan

First Runner-Up

Performance Evaluation of Different Optimization Algorithms for Power Demand Forecasting Applications in a Smart Grid Environment

Paras Mandal, Ricardo L. Pineda
University of Texas at El Paso, USA

Ashraf Ul Haque, Julian Meng
University of New Brunswick, Canada

Second Runner-Up

A Fuzzy Inference Model for Predicting Irregular Human Behavior During Stressful Missions

Sina Khanmohammadi
Binghamton University, USA

Cihan H. Dagli
Missouri University of Science and Technology, USA

Farnaz Zamani Esfahlani
University of Tabriz, Iran
